## Post Office Will Not Open Christmas Day This Year As Result of Recent Order

**Local Postmaster Emphasizes Need for Early Mailing, Secure Wrapping and Quick Handling of Packages**

The Sierra Madre post office will be closed all day Christmas as well as all other post offices in the United States, according to an announcement made this week by Postmaster Jessica H. Wright. The new regulation was received by Mrs. Wright a few days ago and provides that the work of distributing second, third and fourth class mail will cease at midnight of Dec. 24 and that only first class matter will be dispatched on Christmas day.

Christmas is a national holiday but until a few years ago the post office employees did not make that day one of its holidays. Two years ago the postoffice department ordered all work to cease at noon on Christmas day and last year they moved the time up to 11 o'clock. This year the department is ordering the offices all over the country to remain closed by way of an experiment and if successful the postal employees will take their holiday in future the same as employees of other departments of the government.

**Mail Them Early**  
The local post office already is feeling the press of holiday business. Every day, Mrs. Wright says, the mail is a little heavier and there is a little more rush at the office. The work will be a little more feverish until, Dec. 24, when the office will close and the parcels will not be delivered by that time will have to wait until after Christmas.

Because of the recent ruling, Mrs. Wright points out, it will be necessary to mail Christmas parcels even earlier than usual. In

## Ballots Out for Chamber Board Vote

The final ballots for the chamber of commerce election are being sent out today by W. C. Gruitt, secretary of the organization. There will be eleven names to vote on instead of the usual ten, the two lowest on the list having been dropped for the place. The primary election was declared closed on Monday and the result of the vote was announced Wednesday afternoon.

The names appearing on the final ballot are Ray A. Grant, R. M. Finlayson, George Norris, Mrs. J. H. Wright, W. A. Evans, Ole Hanson, Jr., Robert Mitchell, Henry Isaacs, G. I. Farman, Dr. Gilbert S. Bovard and Col. Herman Hall. From this list five will be voted upon for directors and those having the highest number of votes will close Saturday, Nov. 29, that being the last working day of the month.

The chamber of commerce recently filed the following resolution with the city trustees. It was passed at the last open meeting of the chamber.

Gentlemen: At an open meeting of the membership of the chamber of commerce the following resolution was unanimously adopted:

Whereas, the flood lights on Sierra Madre and Baldwin avenues between the Foothill boulevard at the foot of Baldwin and Sierra Madre avenues are an asset and of vital importance to Sierra Madre, be it

Resolved, by the membership of the chamber of commerce that your honorable body be requested to reconsider its decision to discontinue these lights and signs, and be it further

Resolved that a copy of this resolution be delivered to the city clerk for the Board of Trustees.

W. C. GRUIT,  
Secretary Sierra Madre Chamber of Commerce.

## To Train Scouts For Troop Leaders

Sierra Madre Troop One, Boy Scouts, will undergo an intensive training in scout work with the end in view that the members will soon graduate into assistant scout masters and patrol leaders, according to Scout Master Norman Jensen. Most of the members have now passed scout age and the nine or ten remaining have gone through the work to a place where it is believed that a broader training is needed. When this course is completed it is planned to organize one or more smaller troops with the trained boys as the nucleus. The scout committee is also being enlarged.

## Plans Break System for Watershed

The forest fire hazard on the Sierra Madre watershed will be reduced to the minimum within the next few months, according to A. M. Udell, fire agent for the district. The county forestry department has just completed a series of breaks from the Orchard camp break along both ridges of the Little Santa Anita and are now ready to move camp to the Mount Wilson toll road. The Little Santa Anita is now surrounded with firebreaks and with a few additional cross-breaks will be comparatively safe from fire.

M. H. Davis, forest ranger for this district, has an appropriation of \$500 for the protection of the government forest around Sierra Madre and plans are being formulated to use this fund in conjunction with an appropriation from the city in completing the system. Mr. Udell is planning to cut breaks around Eaton Canyon which will stop any outside fire from invading Sierra Madre.

## Don Parker To Arrange School Hop

Don Parker of Sierra Madre is in charge of arrangements for the University of Southern California Homecoming dance to be held at the Ambassador hotel on Saturday night, Nov. 21. The dance will close the two-day program of events planned for the entertainment of the alumni of the university who will return to the Southern California campus.

The members of the University of Iowa and University of Southern California football teams will be the guests of honor, and thirteen of the fairest women of the University of California have been selected to accompany the Hawkeye team.

The Iowa men are planning to be in Southern California two days, and their appearance at the Homecoming dance will be their only one outside the Los Angeles Coliseum on Saturday afternoon when they meet the University of Southern California.

## Women Will Visit Home With Treat

The lives of 40 disabled veterans of the World War will be a little brighter on Thanksgiving day, if the plans of the Sierra Madre chapter of the American Legion Auxiliary materialize. On next Tuesday a committee of the women of the chapter will go to Sawtelle, taking with them a supply of dainties, reading material, and other things to comfort or amuse those who are confined to the hospital as the results of their activities in the last year.

The Sierra Madre women have been given a special ward to look after. In this ward there are 40 ex-service men, who are visited regularly by members of the post and kept supplied with books, magazines, smoking materials and dainties. The committee will go to Sawtelle on Tuesday and hopes to take with it an unusually large contribution of dainties. Mrs. Arthur Evans will receive offerings or have them called for if notified not later than Monday, which will give the women an opportunity to make up their baskets and arrange for transportation.

The Sierra Madre chapter of the American Legion Auxiliary has done considerable work for the disabled veterans, including the selling of poppies, making regular visits to the home and furnishing the men with tobacco and reading matter.

## District Wardens to Confer Degree

Senior wardens of the Masonic lodges of the 84th Masonic district will confer the degree of Master Mason on Friday night, Nov. 27, in the Sierra Madre temple. Harold E. Allen, senior warden of Sierra Madre lodge, is in charge of arrangements. The occasion is the monthly meeting of the district officers' association. Following the degree work, refreshments will be served. All Master Masons are cordially invited to attend.

Work in the second degree is announced for the regular lodge meeting next Tuesday night, by Donald C. Ashmore, master of the lodge.

Mrs. May H. Roberts spoke on city planning before the Alhambra woman's club on Wednesday. Next Tuesday she will speak before the Riverside Woman's club. At this meeting Mrs. W. J. Lawless will also speak, her topic being the Federation Bulletin, of which she is circulation manager.

Mr. and Mrs. William Turner of Youngstown, Ohio, were guests of their cousins, Mr. and Mrs. W. C. Gruitt, early in the week. Mr. Turner is making his annual visit to the coast in the interests of the Youngstown Fireproofing company of which he is sales manager.

A. M. Udell is able to be about town again after recovering from a serious operation at St. Vincent's hospital in Los Angeles. He expects to return to his work as city marshal in about ten days.

Mrs. A. L. Sorter, who has been staying with her daughter, Mrs. Robert Steinberger for the last several months will make her home in Los Angeles in the future.

The Hollywood Mineral Springs company is building in Los Angeles completely equipped and sanitary mineral baths patterned after the most famous baths in Europe. These are the first such baths in Southern California.

Abraham Lincoln has entered the realty business in Hollywood! The namesake of the famous president purchased office space in the Guaranty building of Hollywood.

W. C. Kennedy, well known Sierra Madre poultryman, has just received two fine hens and a rooster from New York. They are of the silver gray Dorkin breed.

American apple butter is being consumed in Germany at the rate of nearly 1000 tons a year, according to local exporters.

## Stores Will Close Thanksgiving Day

Most of the Sierra Madre business houses will be closed next Thursday, Thanksgiving. The post office will be on holiday schedule, the drug stores will observe Sunday hours and the regular retail stores will not open. The theater, however, is taking advantage of the holiday and is offering a fine program to local show goers, an account of which may be found elsewhere. Grocers warn housewives to be sure to get all the materials for their Thanksgiving dinners before the stores close Wednesday night. Those who forget are likely to find a scarcity of groceries on that day.

## Strikes Boy At Play in City Street

Peter Myers, 8 year-old son of Mr. and Mrs. Frank Myers, 503 West Manzanita, was seriously injured Tuesday afternoon about 2 o'clock, when he was struck by an automobile being driven by Mrs. J. E. Wright of Big Pine. The accident occurred in Kersting place in front of the city hall and witnesses assert that the accident was unavoidable on the part of the driver.

Peter was playing with another small boy and ran out from behind a car parked in front of the city hall and directly in front of the moving car. He was struck by the fender and thrown under the car. The front wheel struck his head, tearing away a large piece of scalp. The car was not going fast and the driver was able to stop the car before the rear wheel struck him. He was pulled from under the car by Max Kaufman, 303 North Lima, and carried to the Sierra Madre hospital.

## Beats Wife And Loses His Liquor

An attempt to discipline his wife cost Fred Osti, 231 Grove street, \$300 and 72 gallons of wine. According to a complaint received by acting police chief E. H. Keegan, Osti started off the day Tuesday by beating his wife. Police Officer W. H. Williams was sent to the Osti home to arrest him and when he arrived Mrs. Osti revealed the hiding place of a number of barrels and kegs containing wine.

The liquor was seized and Osti was lodged in the city jail, where he remained until Wednesday morning, when he appeared before Judge C. W. Forman and was fined \$50 for disturbing the peace and \$250 for possessing liquor. The wine was poured into the alley behind the city hall. This is the heaviest fine that has been imposed on anyone in Sierra Madre in several months, the average case coming before Judge Forman being traffic violations or violation of the city fire ordinance.

## Prospects of Reaching Annual Red Cross Roll Call Goal Fine, Claim

Sierra Madre is well on its way to the \$1,000 goal for the annual Red Cross roll call, according to an announcement by Robert Mitchell, chairman of the local chapter. At the close of the day's business Wednesday, a total of \$755 had been received from a membership of 353. The roll call will end on Thanksgiving Day and from all indications, Mr. Mitchell believes, the town will be well over its mark.

Following is a partial list of contributors, including contributing, sustaining and annual members. The remaining names will be published next week.

**Contributing and Sustaining**  
Mr. and Mrs. George A. Jones, Mrs. Herman Hall, Mrs. Frank Royer, Mr. and Mrs. F. P. Conard, T. Schlesinger, Mrs. Estha A. Forman, C. W. Forman, Mr. and Mrs. L. E. Steinberger, Miss Elizabeth Steinberger, Mr. and Mrs. R. A. Pratt, Miss Dorothy Pratt, Mr. and Mrs. H. E. Allen, Rev. M. D. Kneeland, Mr. and Mrs. J. H. Wright, Dr. and Mrs. W. D. Tiller, Mr. and Mrs. W. S. Andrews, Mrs. M. H. Ballou, Mr. and Mrs. F. H. Hartman, Mr. and Mrs. Wm. Murphy, E. J. Webster, Dr. W. J. Barlow, Mr. and Mrs. O. E. Emery.

The past matrons and past patrons of the Eastern Star were guests of honor at the meeting of the Sierra Madre chapter of the order Monday night.

The honored guests were escorted to seats in the "East" and presented with bouquets. Following the meeting refreshments were served in the banquet hall.

## Annual Episcopal Bazaar Equals Past Records in All Respects, Say Patrons

**Affair Which Has Been Repeated for the Last Thirty-Nine Years Attracts the Attention of Many**

A big crowd, a fine assortment of wares and an excellent entertainment were united to make the opening day of the annual bazaar of the Episcopal Woman's Guild a success from every point of view. The bazaar opened yesterday at the Woman's club and will continue today and tonight, the evenings being given over to the play, "The Judsons Entertain."

No small amount of attention was attracted by the display at the fancy goods booth, which was presided over by Mrs. W. C. Shaw, Mrs. Taskar Webster and Mrs. Charles Drake. This booth gave evidence of many hours of careful work by the women of the church and it is understood that their efforts have been well repaid by the profit which the booth has already earned. One table was set aside exclusively for aprons and Mrs. William Lees and Mrs. J. E. Appleby came prepared to make alterations as desired.

Mrs. Louis Dietz was again at the cooked food table this year, where she has by several years of experience learned where the not-inducible cooks are to be found and how to induce them to offer their foods

## PAST OFFICERS OF REBEKAHS VISIT CANYON

The Past Noble Grand's club of Del Mar Rebekah Lodge No. 275 of Long Beach, was entertained by Mrs. Ida Cobb at her home, Ak-Sar-Ben Camp, Sierra Madre Canyon, on Thursday, Nov. 12.

The club met at the Odd Fellows Temple, 278 E. Elm Ave., Long Beach, at 9 o'clock, where a large bus was waiting to convey the members to the canyon.

A covered dish dinner was spread. After the luncheon of good things the meeting was called to order by the president, Mrs. Agnes Howard. A rising vote of thanks was extended to Mrs. Cobb for her hospitality. Routine business was soon disposed of and those who cared for hiking started out for a little hike through the canyon.

Those enjoying Mrs. Cobb's hospitality were Mrs. Nettie Bohn, Mrs. Mary Burnam, Mrs. Lannie Brown, Mrs. Hannah Christianson, Mrs. Lura Blust, Mrs. Grace Gilliland, Mrs. Agnes Howard, Mrs. Ethel Hellegas, Mrs. Carrie McDonald, Mrs. Mary Marvin, Mrs. Verna Partridge, Mrs. Bessie Fease, Mrs. Minnie Olive, Mrs. Lillian Retsloff, Mrs. Olive Taylor, Mrs. Lida Stevens, Mrs. Lottie Snyder, Mrs. Mamie Whitmore, and Mrs. Kate Zehring, Miss Stella Murrick, and Miss Minnie Bodine. Guests of the club were Mrs. Esther Glaze, vice grand of Del Mar Lodge, and Mrs. Hattie Thomas and Mrs. Capitola Lecher, visiting past noble grands.

for sale. Mrs. Dietz's table was, as in years gone by, one of the first to be emptied. Though she has spent considerable time in building up her organization, the supply of cooked foods is always considerably behind the demand.

**Comedy Is Entertaining**  
The play, "The Judsons Entertain," which was given last night for the first time in this community, was all that could be asked in the way of an evening's entertainment. Hall Perry was in the breezy role of a young architectural genius and Miss Mattie portrayed the character of the wife of a genius. Dave Buchan took the comedy role of Tucker Whipple, playing opposite Mrs. J. N. Hawks as Miss Hilda Judson. The parts of Charles Fallon of Harvard and his father, Fallon, Sr., were taken by Wilfred Gruit and Robert Mitchell, respectively.

William Tapp, an impressionable expressman, was played by J. N. Hawks with Miss Marion L. Vannier as an emotional housemaid in the counter part. Bettina Blandish of the movies was successfully played by Mrs. Bradley Metcalf, as was Phyllis Stoteneboucher by Mrs. R. M. Finlayson and Mrs. Babbidge by Miss Edith Blumer.

The Episcopal bazaars have been annual events in the social life of Sierra Madre for the last 39 years. They were first started in 1886 and have occurred annually ever since. The general for this year's event has not been material changed. Entertainments have been arranged for the evenings and the afternoons have been given over to selling of foods and plain and fancy sewing.

## School Can't Teach Morals Says Judge

Parents who leave the moral training of their children to the tender mercies of the public school will likely find them in jail sooner or later, was the substance of a statement made Wednesday evening by Judge Carlos Hardy of the Los Angeles County Superior court, at a meeting of the Parent-Teacher association. Judge Hardy praised the present public school system highly but added that there was no possibility of a child getting moral or religious training in school, and if parents failed to provide this phase of their children's education, the result would be law breaking.

Judge Hardy's address was on the subject, "The Psychology of Crime." He gave it as his experience that a majority of criminals so became through lack of proper home influence. Parents should teach children three things during the pre-school age. They are obedience, truthfulness and honesty. When these are thoroughly engrained into the child's character there is little danger that he will ever get into serious trouble.

It was pointed out that there should be a firm inculcation of the principles of Christianity into the child's spiritual nature during his growing years. This can only be done in the home with the aid of the church and Sunday school. Judge Hardy said, but the important place is the home. The present school system is fine, he concluded, but no school system can satisfactorily take the place of a mother and father.

Judge Hardy's address was the principal event on the Father's Day program given by the Parent-Teachers association at the kindergarten building. Assembly singing preceded the address. The building was well filled, there being about 75 parents present. The president of the association, Mr. W. C. Gruitt, acted as chairman for the evening.

## CITY PLANNERS IN MEETING AT ALTADENA

(Continued from Page One)

was scoffed at, by Dr. Aronovici, who pointed out the shocking conditions which exist in even such fine cities as Pasadena and Los Angeles, where slums have grown up along railroad tracks and around the more objectionable type of manufactories. He asked people to realize that it would pay a community in the long run to wipe out such blighted districts by assessing the cost against the entire city, creating parks on the ground thus freed and giving the foreigners, who are usually forced to live in such poor quarters, adequate dwellings under decent living conditions. When one stops to think of the terrible drain made on the public purse by alleviative agencies, such as state charitable institutions, community chest drives and similar expenses, one cannot help but agree with the doctor that it is wiser and cheaper to stop the trouble where it largely originates—in the slums.

### Substitutes for Homes

A state law controls houses but "land sweaters," as Dr. Aronovici calls those who "create not homes, but storage places for people who stay in them only between a movie show at night and work the next day," are almost unregulated.

"What I call 'bungling courts,' with collapsible morals, marriages, beds, baby carriages, and perhaps some day collapsible babies, are blighting all our state. They originated in Los Angeles district but they are creeping north and land sweaters who own them and the apartment houses where people exist but do not have homes, are to blame for much that is wrong in our present civilization."

"There is very little control of the quality of construction except for fire protection," the doctor continued, "and it is often regrettable that many structures are so protected, for the best thing that could happen to the community would be for them to burn up. Protection is needed for high sanitation and good-sized rooms. Don't concentrate a family like a pill. We write poetry about homes, and in these days there are many which are not good for much else, for they are too small for any other use. An apartment house is nothing more than a tenement with a fancy name and front on it, and is inconsistent with all our needs and ideals in Southern California where we have plenty of land and where the single family dwelling should be paramount."

### Permanent Residents Needed

"People who come here look first at our houses. They want to know how people are living and the homes that we make show the whole gamut of our civic life. Single family dwellers are mostly permanent residents, and it is permanent residents and not the floaters of apartment house type that build up our churches, our schools and the other great public assets of our communities."

"Conditions in Los Angeles and in all the cities of the country are more or less similar but northern California has different problems to solve, therefore there should be different laws and a central bureau in this end of the state. Los Angeles is accumulating the largest experience of any part of the country in both good and bad housing. The 'jerry builder,' is a menace that should not be disregarded. Laws should be made and enforced to stop his nefarious work. The little painted sepulchres of today, sold to people by the promise of a free lunch or a barbecued sandwich, are the sums of 15 years from now, when the jerry built houses have suffered from the hand of time and no one but the poorest and lowest can be forced to live in them. Keep the jerry builder out of your town and you will help to keep the slum out."

Mr. Hugh Pomeroy, secretary of the Regional Planning association, followed Dr. Aronovici with a talk on the zoning problems of the county. He told his hearers that zoning was upheld by even the supreme court of the United States and that 35 states and the District of Columbia now have zoning laws. The state supreme court of California has recently ruled that single family residence area zoning is legal, as the welfare and existence of the country depend on the home and any factor helping the establishment and protection of it should be furthered.

"Planning and zoning are inseparable. The first requirement

is a regional zoning ordinance in both incorporated and unincorporated areas. Master maps are to be prepared showing existing zoning and future zoning is to be added until a perfectly zoned plan is achieved."

After an interesting discussion between Mr. Pomeroy and members of the association, who had brought pertinent questions to the meeting, the body adjourned with the December assemblage arranged to take place in Claremont.

## Woman's Club Notes

(Mrs. F. H. White, Press Chrm.)  
Art. X, Sec. 1.—All members shall be required to show membership card to the door keeper (credentials committee.) Guest cards must be properly filled in and presented to the credentials committee.

Standing luncheon reservations may be made by club members, subject to cancellation. Regular charge made if reservation is not canceled.

The program for next meeting of Sierra Madre Woman's club, Nov. 25, is under the direction of Chamber of Commerce.

2:15 p. m., assembly singing. The American's Creed.

2:30, regular meeting; speaker, Mr. S. Poulterer Morris, "The Chamber of Commerce and Its Relation to Other Civic Bodies."

The next club dance is on Nov. 28. A very delightful affair is anticipated. Mrs. Lela Roulette, chairman. Hosts and hostesses, Mr. and Mrs. N. W. Tarr, Mr. and Mrs. George B. Morgridge, Mr. and Mrs. E. E. Bacon, Mr. and Mrs. W. C. Collins. Card rooms, hostess, Miss Muriel Tarr.

Monthly departmental meetings of the Los Angeles district federation meet in Parlor C, 8th floor C. of C. building, 12th and Broadway, Los Angeles. The department heads who attend find much of pleasure and profit in these meetings. See club directory, page 8. After attending a few of these conferences, one is absent with much regret.

The style show of the class in sewing under the sponsorship of the woman's club, was a very marked success. Held at the club house Wednesday afternoon at 3 o'clock with about 25 or 30 ladies present, including the teacher, Miss Parmlee, and her sister, Mrs. Bushnell of Monrovia. After the promenade featuring dresses, coats, and hats, made by the ladies of the class in sewing here, and the class in millinery taught in Monrovia, tea was served to the visitors. It is probable that a class in millinery will be opened here at a date not too far in the future.

## LOCAL THEATER WILL PRESENT FINE PROGRAM

Virginia and Lenore, beautiful daughters of Francis X. Bushman, make their film debut in Marion Davies' "Lights of Old Broadway," a Cosmopolitan production for Metro-Goldwyn-Mayer, directed by Menta Bell and coming to the Wistaria Sunday and Monday. Lenore is a student at the George Washington college, Maryland, and her sister has just been graduated from that school. They have just started their film careers.

Whose fault is it when a breach comes between a father and a son? In "New Brooms," the comedy which Clara Beranger adapted to the screen for William De-Mille's latest Paramount production, this question is solved. "New Brooms," the story of a young fellow, just out of college, whose father turns over to him a broom factory to run for a year as he sees fit, comes to the Wistaria Tuesday and Wednesday. Others in the big cast are Robert McWade, Fred Walton, Josephine Crowell, Larry Steers and James Neill.

A picture that is made solely for entertainment purposes is "Exchange of Wives," which is the attraction at the Wistaria Thursday and Friday. "Exchange of Wives" propounds no weighty question, nor does it point a moral unless it is to try a trial exchange of wives before suing for divorce. This Metro-Goldwyn-Mayer production brings Eleanor Boardman and Lew Cody to the fore as excellent comedians, and gives Renee Adoree and Creighton Hale their greatest opportunities to date.

A new angle of the versatility of Sidney Olcott, Paramount director, was emphasized during the filming of his latest production for Paramount, "The Best People," coming to the Wistaria theater next Saturday, Nov. 29. One of the big sequences calls for a night club scene with hundreds of diners and dancers participating. Obviously, a dancing specialty was important and some professional dancers were engaged for the particular scene. Olcott was not just satisfied with the staging of the dance despite its seasoned professionalism, and stepped out on the floor to illustrate the exact manner in which he desired the dance performed, the entrances and the exits.

## School Cafeteria Proves Success

The school cafeteria in two weeks has proven so successful that the association will turn the operating over to a woman who is to be paid \$15 a week, and with the help of mothers, each of whom offers to give three hours one day a month, from 11 a. m. to 2 p. m., it is thought a deficit can be avoided. Any other volunteers will be gratefully accepted. Mrs. Gruit and Mrs. Lasiter will continue to assist by alternately supervising until the project runs smoothly. Between 75 and 90 pupils are served daily.

Cafeteria service was discontinued this week to enable more effective plans to be made but service will be re-established next week, Nov. 23.

The menu for the three days preceding Thanksgiving will be: Monday, Goulash, hot savory beets.

Tuesday, Vegetable soup, macaroni and cheese.

Wednesday, Meat cakes and potatoes.

A following up of the results of the recent dental survey is to be made and the advisability of giving financial assistance considered in having necessary dental work done in the school.

The children are being asked to make their regular Thanksgiving contributions at this time. Parents are urged to make an effort to carry out the idea expressed by Mrs. Wall, the education and American citizenship chairman, in a recent meeting. Children should be led to give of their own allowance from a spirit of thankfulness and not be allowed hastily and thoughtlessly to grasp something provided by mother or father in an effort to have the offering over with. Urge them to earn the offering that is presented if they have not a regular allowance upon which to draw and keep uppermost the idea of the real meaning and spirit of Thanksgiving.

#### THANKSGIVING

I thank Thee for all simple things,  
For goodly books to read at night,  
For bread to break, a child to kiss;  
And O, dear God, for this—for this:  
The love of woman, that shall last  
Till Time itself, and Life, have passed.  
And, as the long, bright journey ends,  
Lord, I give thanks for many friends.  
Amen.

—Charles H. Towne.

#### THIS ONE THING NEEDFUL

THIS is one time of year when it seems demands for everything that needs help meet one at every turn. Drives for that and appeals for this, to correct everything that seems amiss! Just why the open season for such things should come just at the time when people are fretting over tax bills is neither here nor there. Probably the season was chosen to take advantage of the Christmas spirit which is supposed to prevail, and more likely to make provision for the annual budgets beginning with the new year.

Obviously not everyone can contribute to all these causes, no matter how worthy. Some of us must restrict contributions to a relatively small number. In such a process there is one cause that should be retained in every person's list—the RED CROSS. There is no other agency so nearly universal in its scope of service. Wherever disaster strikes—it may be here or it may be at the distant home of friends—the Red Cross is on the job.

Red Cross membership cost is so small that it is not a burden to anyone. Sierra Madre has a proud record of Red Cross support, which must be maintained. Pay now, if you want your Thanksgiving dinner to taste right.

#### AN EVIL TOOL

A CHINESE legend describes how the Father of Sin decided to have a sale and dispose of all his tools to anyone who would pay his price.

The implements were laid out in a row for inspection and among others were tools labeled "Malice," "Envy," "Hatred," "Jealousy," and "Deceit." Every one had a price-tag on it. Apart from the others lay a harmless-looking wedge-shaped tool, very

much worn from use, that was priced a great deal higher than the rest.

One of the buyers asked the devil what it was. "That," he answered, "is Discouragement; and it's in fine shape."

"But why have you priced it so high?"  
"Because it is more useful to me than any of the others. I can pry open and get inside a man's consciousness with that wedge when I couldn't get near him with any of the others. And believe me, once I do get inside I can use that man whatever way suits me best. Of course, you'll notice it is well worn. That's because I use it with nearly everybody, for very few of you mortals know that it belongs to me."

However, the price was so high that this particular tool was never sold. The devil still owns it, and is still using it.—Northern Furniture.

#### BOOMING OR BUILDING

HARVEY JOHNSON, editor of the Banning Record, says Californians do not need to worry over Florida's real estate boom. He reminds us that California is a twelve-month state, while Florida climate is agreeable only for three or four months of the year. Really, Florida is booming while California is building. Florida is trailing far behind California in actual building operations.

The wonderful city of Miami, about which we hear so much, for the first eight months in 1925, issued building permits in the amount of \$32,556,703, while Los Angeles in the same period issued permits for \$104,695,610.

While the cities of Miami, St. Petersburg, Tampa, West Plains Beach, St. Augustine and Pensacola, leading cities in Florida's growth, were totaling \$86,817,986, California's ten leading cities, Los Angeles, San Francisco, Oakland, Long Beach, San Diego, Sacramento, Berkeley and Glendale, with the aid of Banning and Puente, piled up \$220,772,416.

#### FROM HERE AND THERE

They say nothing is impossible. Well, try to get a flapper to go for a ride in a buggy.

The average husband is about as helpful with the housework as his wife is with the driving when she is in the back seat.

The man who complains he is not getting enough is usually not giving enough.

#### Who Wants to Be Like Methuselah?

Methuselah ate what he found on his plate,  
And never as people do now.  
Did he note the amount of the caloric count—  
He ate because it was "chow."  
He wasn't disturbed as at dinner he sat,  
Destroying a roast or a pie  
To think it was lacking in granular fat  
Or a couple of vitamins shy.  
He cheerfully chewed every species of food  
Untroubled by worries or fears  
Lest his health might be hurt by some fancy dessert  
And he lived over nine hundred years!

### From the Old News Files

#### NINETEEN YEARS AGO

The Episcopal bazaar and minstrel show was pronounced a big success by all.

Mrs. A. Rushton of Morgan Park, Ill., was a guest this week of Rev. and Mrs. J. M. Campbell. Special service will be held at Thanksgiving Day.

W. A. Stubbins was calling in Sierra Madre last week.

M. G. Smith, the barber, has moved away and the men folks will have to shave themselves for a while.

The shower on Tuesday night brought the season's rainfall up to 1.18 inches.

Miss Hilda Humphries is visiting, her parents in Piedmont Heights.

S. S. Casad who has purchased the McPhale home on Esperanza is expected here by the end of the week.

Clement Bassett of Santa Barbara has rented Mrs. Jordan's cottage on LaBelle avenue.

The Ladies' Musical club met with Mrs. Staples on last Friday afternoon.

Laurie Robinson returned home from Elsinore Monday, bringing all the ducks he could carry.

#### TEN YEARS AGO

Norman Olsen has returned from Pasadena and is now at the home of his parents, Mr. and Mrs. Martin Olsen.

Members of the Merchants' association held a lengthy session on Monday evening to consider the license ordinance.

The annual Episcopal bazaar was voted a big success by everyone concerned.

Mrs. Ernest Yerxa entertained the Friday Tennis crowd at her home Friday.

The Ladies' Aid society of the Congregational church will hold a sale on Dec. 3 at the Woman's club house.

W. J. Lawless has gone to San Francisco for a week's business.

Mrs. S. C. Collins and small son Douglas arrived the first of the week from Arizona for a three-months stay.

Miss Ann Kerr, who has been the house guest of Miss Ethel Powell for the last two months, left on Thursday for her home in Chicago.

Mrs. W. H. Ingraham returned home Sunday from Cheyenne, where she has been spending the summer.

Phillips Edson will be host at a studio party in Los Angeles Saturday night. The guests will be Miss Maurine Reagan, Miss Katherine Schwartz, Charles Schwartz, and George Norris.

#### FATHER'S CHANCE

Willie (to his father who had recently married the second time)  
—"There's a shop in the High street just like you, daddie."  
Father—"Shop like me? What do you mean?"  
"Why, it's under new management."

If you're a self-starter, the boss won't have to be a crank.

#### A GOOD TUTOR

Mrs. Hazel—"What dreadful language your parrot uses!"

Mrs. Knutt—"Yes. My husband bought the bird in town and brought it home in his car. He had three blowouts and engine trouble on the way."—Princeton Tiger.

### Seeing Only the Obvious

I SUPPOSE one of the main objects the person who invented the weather had in mind was to furnish an easy topic of conversation, and in this he has been eminently successful. In conversation, however, the most interesting things are those least expected, most original, and least obvious. Nothing pulls upon one more than to be told something he already knows, or to have his attention called to something upon which he has already remarked.

I met Sweeney as I was going to the office on a bright sunny morning, and he remarked, "It's a fine day." Of course it is, and it would be only an imbecile who would not recognize the fact.

During all the years I was acquainted with Mrs. Parrish I do not now recall that in our conversations, and she has the habit of fluent speech, she ever gave vocal expression to anything not perfectly obvious. If we were riding along a public road in the spring, she would call attention to the fact that a rabbit was running across the road, that the grass was turning green, that a farmer was plowing in the field, or announce to me how fast I was driving, though the speedometer was nearer to me than to her. Everything she spoke about was quite obvious.

I recall once letting her read a letter which had come to me from a common friend who was spending the winter in South America.

"Did you know that Jane had been very sick in Buenos Aires?" she asked me a few days later. "And they are thinking of coming home in April."

Naturally I was aware of these facts, for they were gone into in some detail in the letter which I had the day before given her to read.

The alert mind in conversation picks out the curious, the interesting, or the previously unknown and springs it on one first. The greatest pleasure in conversation is not the obvious, but the unexpected, and we too often choose the thing that is patently before us, and so we are stupid and dull.

Nancy finds no delight in the obvious. I came home the other day to find her on her knees dusting the books.

"Are you cleaning house?" I inquired.

"No," she replied, "not at all; I'm climbing the Matterhorn."

Communion will be omitted on that day.

Nov. 27 (Friday) the Woman's Guild will meet as is customary at 2:30 p. m.

Litany at 4:30 p. m.

This week on Thursday and Friday the guild is holding its annual bazaar with play both evenings, in the Woman's Club house.

Sunday school at 9:45 a. m.

Morning church services, 11 a. m. Preaching by Dr. H. L. Hoyt of Los Angeles.

League of Youth, 6:30.

No evening church service.

### Ladies' Aid

Members and friends are urged to attend an all day meeting of the Congregational Ladies' Aid in the church parlors, Tuesday, Nov. 24. Very much work is yet to be done to make the annual bazaar of Dec. 4 a success. Women having finished articles please bring or send them in. A 25-cent luncheon prepared by a group of young matrons will be served.

Kindly phone reservation to Mrs. Donald Ashmore. Plans are being made for a delicious dinner to be served at night in connection with the bazaar and tickets will be on sale at Hartman's drug store.—(Press Committee.)

## What Other Editors Say

### THE HOME STILL STANDS

Hemet News: "There is no longer any home life in America." This sweeping statement is made by a speaker at the state convention of women's clubs. That would be important if true, but it is not true. An increasing proportion of the people are living without homes and home life, but there are still many homes, and there are home influences. The lady speaker, president of the General Federation of Women's clubs, was deploring "the lowering of home standards."

We sometimes get the impression that the whole world is crazy on jazz and that all of the people are running wildly about in an unnatural way, and there is plenty of this sort of thing going on. But at the same time, there are thousands of homes and there are uplifting influences, and there are people at work in the homes, making very little disturbance about it. There are folks who apply themselves to their daily tasks, and who are healthily tired when they go to bed at night. There are mothers who take an interest in bringing up the children and see that their ears are washed before they go to school and that they get their proper rations every day, and that they are safely tucked away in bed.

These folks are too busy with useful occupations to view with alarm and to sound clarion calls and head the movement for this or that worthy enterprise, but they're on the job.

### ORGANIZATION PERFECTED

Claremont Courier: Organization of the Board of Fellows for the recently incorporated Claremont Colleges was perfected at a meeting of the board held in Los Angeles Friday afternoon and was announced by Ernest J. Jaqua, acting president of Pomona college.

Colonel Seeley W. Mudd, prominent Los Angeles business man and nationally known mining engineer, was elected president of the Claremont Colleges corporation. Mr. Mudd has been a member of the Pomona College board of trustees for many years.

Dr. James Arnold Blaisdell, president of Pomona college, was appointed the academic head of the new colleges, and Robert J. Bernard was chosen secretary. Dr. George Sumner was appointed comptroller and Ernest S. Jones, treasurer. Dr. Blaisdell was not present at the meeting as he is now in the east preparing to leave for Europe Dec. 3.

By-laws for the Claremont Colleges were adopted at the meeting and consideration was given to the incorporation of the Scripps College for Women, the first institution to be announced under the group-college plan.

## SUNDAY DANCE REFUSED FOR SANTA ANITA

The board of county supervisors have ruled that they would not make exceptions to the ordinance and permit dancing in Big Santa Anita Canyon on Sunday. A petition signed by about 700 resort owners and others prayed for relief from the existing county ordinance, but were denied. The board desires to keep the county ordinance in conformity with the city ordinances concerning Sunday dancing.

### THE EXACT DIFFERENCE

"Father," said the conventional small boy, "what is the difference between a pedestrian and a jay-walker?"

"A pedestrian," replied the conventional father, "is a person who walks when you are walking. A jay-walker is a person who walks when you are driving."

"I should think you'd be ashamed to show your face in such a bathing suit!"

"Don't worry, darling, people don't look at my face."

NOTICE OF FILING OF ASSESSMENT FOR THE IMPROVEMENT OF PORTIONS OF MIRA MONTE AVENUE IN THE CITY OF SIERRA MADRE AS CONTEMPLATED BY RESOLUTION OF INTENTION NO. 252 AND OF THE TIME AND PLACE OF HEARING AS TO SAID WORK AND ASSESSMENT.

Pursuant to statute, notice is hereby given that the Superintendent of Streets of the City of Sierra Madre, having made an assessment to cover the costs and expenses of the improvement of portions of Mira Monte Avenue in said City, as contemplated by Resolution of Intention No. 252, passed by the Board of Trustees of said City on the 11th day of June, 1925, filed the same in my office on the 12th day of November, 1925.

I hereby fix Thursday, the 10th day of December, 1925, at the hour of eight o'clock P. M., as the time, and the Council Chamber of the Board of Trustees in the City of Sierra Madre as the place, when and where all persons interested in the work of said improvement or in the said assessment will be heard by the said Board of Trustees. Property owners, the contractor or his assigns, and all other persons interested in the said work or the said assessment, feeling aggrieved by any act or determination of the Superintendent of Streets or the City Engineer in relation thereto, or who claim that the work has not been performed according to the contract in a good and substantial manner, or who claim that any portion of the work was for any reason omitted or illegally included in the contract for the same, or having or making any objection to the correctness of the assessment, or diagram, or other act, determination or proceeding of the Superintendent of Streets or City Engineer, shall, prior to the day fixed for the hearing on the assessment, appeal to the said Board of Trustees by briefly stating in writing the grounds of appeal.

For a description of said work reference is hereby made to the above mentioned Resolution of Intention.

Dated this 12th day of November, 1925.

## College Chums Meet in Reunion

Recent week end visitors in Sierra Madre were Miss Jane Bellows, national health director of the Y. W. C. A., and Miss Mary Stuart of the University of Redlands, who were guests of Mrs. W. C. Grut. These three friends were formerly associated in work in the West Indies, all being connected with the university of Porto Rico. This was their first meeting in ten years. Miss Bellows is making a tour of the United States for the Y. W. C. A. and spent three days of this week in Pasadena.

## Short Session For Trustees

Only routine business was transacted at the meeting of the city trustees Thursday night, Trustees E. E. Bacon and N. W. Tarr were cut of town in business and Trustee E. H. Porter was on the sick list, but came to the meeting to complete a quorum. The meeting was the shortest of months if not in years and was adjourned shortly after 9 o'clock. There were no visitors at the meeting, which is very unusual.

## BANKING PROPOSAL

First Teller—"So you proposed to Nellie by letter, did you?" Second Teller—"Not exactly. You know shee runs the S to Z book? Well, after the checks were sorted I wrote her a letter on the back of a check and slipped it into her stack. I proposed to her in it."

First Teller—"Well, what did she do?" Second Teller—"She returned it marked, 'Insufficient Funds.'"

"So you are going to marry? Have you got anything laid up?" "Yes, I've got a rich uncle laid up with a paralytic stroke and I'm his only surviving relative."

## HUSBAND'S COMFORT

"Gracious! I have not enough hooks on my dress."

## The BULL'S EYE

Editor and General Manager WILL ROGERS

Another ... advertisement by ... Ziegfeld ... American humorist. More coming. Watch for them.

I see where some of the Foreign Nations say they are going to FUND their debt to America, and all the Papers are all excited about it. But the BULL'S EYE is a Paper that never misleads our readers (either one of them). FUNDING a debt means about the same thing as having a fellow that has owed you for years, come to you and say "I am going to make arrangements to take up that loan I owe you just as soon as I can collect it from some fellows who owe me." So don't by any means get FUNDING mixed up with PAYING. The two have nothing in common. These Nations are just stalling until another War comes along and the first thing you know our debt will be four Wars behind. We have enough saved up to fight again, but they are using it now to enforce Prohibition.

Oh, yes, "BULL" DURHAM. I like to forget to mention that. Well, that is what the Foreign Nations are paying us in. "BULL" DURHAM without the DURHAM.
